Wednesday 20 November

2019/34

Dear Parents/Caregivers,

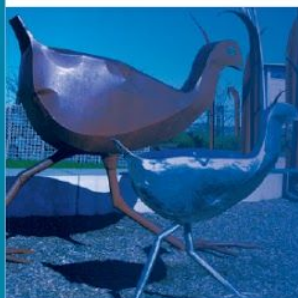

Today's newsletter is all about our annual Twilight Festival. This is being held tomorrow night.

For the last few years, we have showcased the performing arts in our school, and from our local community.

The Twilight Festival is one of the highlights of our year, and we encourage you to get along. It starts at 5pm and runs until about 9pm. There is no charge for entry.

Food and drink is on sale, so make a night of it. Please note that we are 'cash only.' A few of the food stalls may run eft-pos, but cash is the guaranteed option.

See you tomorrow night at Twilight!

**Proud to be a major sponsor
of Everglade Primary School.**

ACROSTIC POEMS by Room 14

Lava is molten rock outside a volcano

A volcano is super dangerous and destructive

Volcanoes erupt because they have too much pressure in them

A long time ago volcanoes exploded underwater and made the water weird

Mia Turu

Everybody knows when a volcano erupts, pack everything and go, go, go!!!

Rangitoto Island might erupt very soon

Up on top of a volcano there can be a crater lake

Parents make sure their kids are safe

Thousands of active volcanoes can erupt soon

Caroline Silipa

Volcanoes can be extinct

Orange is a colour of hot magma

Lava is molten rock outside of a volcano

Cinder cones are usually smaller volcanoes

A volcano erupts on Earth and other planets

Nobody can survive the burning lava

One day, Rangitoto Island might erupt

Shivika Mani

This Friday we have **Barbecue Lunch Day**

Sausages \$1.50

Juicies \$1.50

Samosas \$1.50

Next newsletter: Wednesday 27 November

Regards

John Robinson
